

COMMUNITY RULES

1. **There will be a ZERO TOLERANCE policy for disrespecting or bad-mouthing admin**
 - a. If you have an issue with something or someone, please privately message or email admin to address the matter
2. **Please be kind, courteous, and respectful to other members within the group/page**
 - a. No name calling, making threats, or creating uncomfortable/hostile environments for other members
3. **No bullying, harassing or spreading hate speech of any kind within the group/page**
 - a. No slander, or egging on inappropriate behavior, or stirring up conflict or drama
4. **No promoting other social media accounts or businesses within the group/page**
 - a. If you would like to share something that is empowering or relevant to the group from another social media account, *please be sure to first hide the business/brand name*
 - b. If you cannot hide the business/brand from a social media account, **you must first get the approval of admin before posting or sharing it within the group/page**
5. **No sharing content or information from within the group/page outside of the group/page**
 - a. This includes screen shots of content or conversations/group discussions, or downloading any material from our site
 - b. This is a private, paid membership only group. Only those who have an *active* membership status can **view content or information from within the group/page**
6. **Your identity must be verified before you can join**
 - a. Once approved to join, you have the *option* of using an avatar photo and/or nick name
 - b. **HOWEVER**, if admin suspects or finds out you pretended to be someone other than yourself when you joined, your account will be BLOCKED/BANNED indefinitely
 - c. **You are required to keep a profile picture (selfie or avatar) on your account at all times**
 - d. Our platform is for *serious minded women* only; and we want to eliminate potential trolls, catfish, or individuals who have been previously banned/unwelcomed people. **That's the sole purpose of identity verification. Your photos will not be shared with anyone else.**
7. **Please keep conversations or topics relevant to the mission of the group/page**
 - a. If you're unsure if a topic or question is allowed to be discussed in the group/page, please ask admin before posting it
 - b. You can only post questions or seek advice from other members about *your personal situation only* (not your friends, family or other third parties). They must enroll in a membership to receive help or advice from members in our exclusive online community

Anyone found in violation of the community rules can be banned from the group/page and potentially be sued for violation of privacy and/or breach of contract.

Please respect everyone's privacy and the integrity of this group

THANK YOU! ☺
